

SARTHAK SAH

DATA ANALYST

GREATER NOIDA | sarthaksah8239@gmail.com | 7905744714 | GitHub: <https://github.com/Sarthak196011/ML-projects-.git>

PROFILE

Analytical and detail-oriented Data Analyst with strong skills in Excel, SQL, Python (Pandas, NumPy, Matplotlib), and Power BI. Completed a 3-month internship at Prodigal SoftTech as a Data Annotation & Analyst Intern, working on data cleaning, labeling, and visualization to support AI/ML projects. Experienced in transforming raw data into clear, actionable insights and building interactive dashboards to aid business decision-making.

SKILLS

- **Programming :** Python (Pandas, NumPy, Matplotlib, Seaborn), SQL
- **Machine Learning:** Scikit-Learn, Tensor flow, Data Preprocessing
- **Data Tools:** Tableau, Power BI ,Excel, Web Scraping, Lead Generation, Data visualization and presentation

CERTIFICATIONS

- Tata Data Visualisation: Empowering Business with Effective Insights Job Simulation on Forage - January 2025
- Deloitte Australia Data Analytics Job Simulation on Forage - March 2025
- ONERoadmap Data Analyst Certificate

EXPERIENCE

Data Annotation & Analyst Intern Prodigal

SoftTech | May 2025 – July 2025

- Data Annotation & Labeling: Utilized internal software tools to annotate text and audio data, adhering to predefined guidelines to support machine learning model development. Internshala
- Entity Extraction: Extracted relevant tags and labels from contact center conversations, enhancing the quality of training datasets for AI models.
- Collaboration with ML Engineers: Worked closely with a team of machine learning engineers and data scientists to provide annotated data, facilitating model training and refinement processes.
- Data Analysis & Insight Generation: Analyzed large datasets to identify patterns and trends, providing actionable insights to improve business operations and decision-making processes.

Product Ops Intern – DemandX

- Role overview: Supported the Product & Engineering team at DemandX by optimizing AI-enhanced intake operations, including voice/text screening for claimant qualification.
- Tooling & documentation: Managed tools for roadmapping, prototyping, and feedback, and standardized processes like communication templates and feedback loops for smoother collaboration.
- Data-driven improvements: Analyzed intake and acquisition data to uncover operational insights, improving efficiency and reducing labeling requirements.

EDUCATION

GALGOTIAS UNIVERSITY

Aug 2022 - Aug 2026

- Bachelors In Technology (CSE Core)

SUNBEAM ENGLISH SCHOOL BHAGWANPUR

March 2022

- High school
- Secondary high school

ADDITIONAL INFORMATION

- **Languages:** English, Hindi
- **Additional skills:** Various AI tools , Microsoft Office Applications , Canva
- **Soft Skills:** Communication , Collaboration , Time Management , Adaptability , Critical Thinking, Problem Solving
